### PACKED LUNCHES/P.E. KITS

Please could parents ensure that children have their packed lunches, P.E.Kits with them when they come to school in the mornings.

We are regularly having lunches, P.E.Kits brought to the office by Parents during the morning.

This means Admin Staff are wasting time delivering lunches to classrooms (not their jobs) and that lunches are getting lost/late resulting in upset children.

### Head Lice Update

I was rather disappointed with the turn out for our meeting on Friday 6<sup>th</sup> January with the school nurse about head lice. Thank you to those parents who did attend, you know who are!!

Our school nurse did suggest some good ideas that have been successful at other schools

Bug Busting Days-where we all check our hair on the same day and treat if necessary.  
Class workshops- where the school nurse shows the children how to check their own hair.

Anyway watch this space as more details will follow.

Thank you as always,

Mrs Tomlin. Acting DHT
