Dear Parents/Carers,

Many thanks to all those parents with children in Nursery, Reception, Yr 1 and Yr6 who have already completed our return to school survey. In order for us to plan we do need all parents of children in those year groups to respond before Monday.

I know that you all have many questions and concerns. At the moment, I am afraid that we simply don't have the answers, our questions and concerns are the same as yours. We are awaiting further information and guidance from the government, DfE and Local Authority, this is being updated daily. We will answer your questions as soon as we can, in the meantime please use the class e-mail addresses to contact us with your queries.

There is nothing we all want more than to have the children back in school and for things to return to normal when it is safe for us to do so. School is a very strange place without the children and their families; we miss all of you very much.

Please keep yourselves safe and we hope to see all of you very soon. In the meantime if there is anything you think we may be able to help you with please get in touch either by phone or e-mail.

Kind regards,

Caroline McKay

HeadTeacher
