

Here is the weekly plan.

Year 5 Home Learning - Week 29th June – 3rd July

Subject	Activity	Links and Worksheets												
<p style="text-align: center;">Literacy Monday</p>	<p style="text-align: center;">Grammar: Indirect / Direct Speech</p> <ol style="list-style-type: none"> What is the difference between direct and indirect speech? This sentence is in indirect speech. Rewrite it as direct speech. <i>The postman said he was tired.</i> This sentence is written in direct speech. Rewrite it as indirect speech. <i>The girl said, "I believe you," to her friend.</i> Write three of your own sentences using direct speech. Write three of your own sentences using indirect speech. 	<p>Check these links out to help you: https://www.theschoolrun.com/what-are-direct-and-indirect-speech https://www.bbc.co.uk/bitesize/topics/zr6bxytc/articles/zhqh92p</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="text-align: left;">DIRECT SPEECH</th> <th style="text-align: left;">INDIRECT SPEECH</th> </tr> </thead> <tbody> <tr> <td><i>She said, "I can swim."</i></td> <td><i>She said she could swim.</i></td> </tr> <tr> <td><i>She said, "I must go."</i></td> <td><i>She said she had to go.</i></td> </tr> <tr> <td><i>She said, "I may drive there."</i></td> <td><i>She said she might drive there.</i></td> </tr> <tr> <td><i>She said, "Shall we start?"</i></td> <td><i>She asked if we should start.</i></td> </tr> <tr> <td><i>She said, "I'll call you."</i></td> <td><i>She said she would call me.</i></td> </tr> </tbody> </table>	DIRECT SPEECH	INDIRECT SPEECH	<i>She said, "I can swim."</i>	<i>She said she could swim.</i>	<i>She said, "I must go."</i>	<i>She said she had to go.</i>	<i>She said, "I may drive there."</i>	<i>She said she might drive there.</i>	<i>She said, "Shall we start?"</i>	<i>She asked if we should start.</i>	<i>She said, "I'll call you."</i>	<i>She said she would call me.</i>
DIRECT SPEECH	INDIRECT SPEECH													
<i>She said, "I can swim."</i>	<i>She said she could swim.</i>													
<i>She said, "I must go."</i>	<i>She said she had to go.</i>													
<i>She said, "I may drive there."</i>	<i>She said she might drive there.</i>													
<i>She said, "Shall we start?"</i>	<i>She asked if we should start.</i>													
<i>She said, "I'll call you."</i>	<i>She said she would call me.</i>													
<p style="text-align: center;">Maths Everyday task</p>	<p style="text-align: center;">Please choose one or two of your multiplication tables (perhaps the ones you feel least confident with) to practice for 10-15 minutes <i>everyday</i>.</p> <p style="text-align: center;">Ideas to revise them:</p> <ul style="list-style-type: none"> Write the table out three times by copying and then from memory Make a colourful poster for your weakest timestable and put it somewhere you will see it every day Have a listen to a timestable song for a catchy way to remember them – look up some more or make up your own to a nursery rhyme! Write your own timestable test each day and then take it the following day Time how long it takes you to write out one set of timestables then try to beat your time After practising them, try a timestable recall game on Purplemash or the PiXL App. 	<p>https://www.purplemash.com/#app/games/timestables_assessment</p> <p>https://timestable.pixl.org.uk/Timestables.html</p> <div style="text-align: center;">  <p>Times Tables 5+</p> </div>												
<p style="text-align: center;">Maths</p>	<p style="text-align: center;">Try this activity from Corbett Maths:</p>													

<p>Monday</p>	<p>Adding Fractions (different denominators) Watch the video and then answer the questions in your maths exercise book. Then mark your answers! <i>Remember to make sure your denominators are the same before adding the numerators!</i></p> <p>E.g.</p>  $\frac{9}{5} + \frac{14}{7} = \frac{63}{35} + \frac{70}{35}$ $= \frac{63+70}{35}$ $= \frac{133}{35}$	<p>Videos https://corbettmathsprimary.com/2018/07/16/adding-fractions-2-video/</p> <p>Questions https://corbettmathsprimary.com/wp-content/uploads/2018/07/adding-fractions-different-denominators-pdf.pdf</p> <p>Answers https://corbettmathsprimary.com/wp-content/uploads/2018/07/adding-fractions-answers.pdf</p>
<p>Literacy Tuesday</p>	<p><u>Literacy Task: Instructions Text</u> <u>How to capture a dragon</u> Watch the video for lesson 1 (talk for writing) and complete the activities. Open the worksheet in a new tab and play/pause the slides on it when you need to in order to answer the questions.</p>	<p>Video https://classroom.thenational.academy/lessons/set-of-instructions-reading-comprehension-language/activities/1#</p> <p>Worksheet https://classroom.thenational.academy/lessons/set-of-instructions-reading-comprehension-language/activities/2</p> <p>End of Lesson Quiz! https://classroom.thenational.academy/lessons/set-of-instructions-reading-comprehension-language/activities/3</p>
<p>Maths Tuesday</p>	<p>Try this activity from Corbett Maths: Multiplying fractions Watch the video and then answer the questions in your maths exercise book. Then mark your answers!</p> <p>Multiply the numerators $\frac{2}{5} \times \frac{3}{4} = \frac{6}{20}$</p> <p>Multiply the denominators $\frac{2}{5} \times \frac{3}{4} = \frac{6}{20}$</p> <p>Reduce the fraction if necessary $\frac{6}{20} = \frac{3}{10}$</p>	<p>Videos https://corbettmathsprimary.com/2018/07/18/multiplying-fractions-video/</p> <p>Questions https://corbettmathsprimary.com/wp-content/uploads/2018/07/multiplying-fractions-pdf.pdf</p> <p>Answers https://corbettmathsprimary.com/wp-content/uploads/2018/07/multiplying-fractions-answers.pdf</p>
<p>Literacy Wednesday</p>	<p><u>Literacy Task: Instructions Text</u> <u>How to capture a dragon</u> Watch the video for lesson 3 (features of an instructions text) and complete the activities. Open the worksheet in a new tab and play/pause the slides on it when you need to in order to answer the questions.</p>	<p>Video https://classroom.thenational.academy/lessons/set-of-instructions-identifying-the-features-of-a-text/activities/2</p> <p>Worksheet https://classroom.thenational.academy/lessons/set-of-instructions-identifying-the-features-of-a-text/activities/3</p> <p>End of Lesson Quiz!</p>

<https://classroom.thenational.academy/lessons/set-of-instructions-identifying-the-features-of-a-text/activities/4>

Maths
Wednesday

Try this activity from Corbett Maths:
Improper fractions/Mixed Numbers
Watch the video and then answer the questions in your maths exercise book.
Then mark your answers!

Mixed → Improper

We can do this conversion without drawing a diagram.

$2\frac{2}{3} = \frac{8}{3}$

There are 3 thirds in 1.

So there are $2 \times 3 = 6$ thirds in 2.

We also have an extra 2 thirds, so add this on.

In total, $2 \times 3 + 2$ thirds 8 thirds altogether

$3\frac{5}{6} = \frac{23}{6}$

There are 6 sixths in 1.

So there are $3 \times 6 = 18$ sixths in 3.

We also have an extra 5 sixths, so add this on.

In total, $3 \times 6 + 5$ sixths 23 sixths altogether

Questions
<https://corbettmathsprimary.com/wp-content/uploads/2018/07/top-heavy-mixed-numbers-pdf.pdf>

Answers
<https://corbettmathsprimary.com/wp-content/uploads/2018/07/mixed-numbers-answers.pdf>

Literacy
Thursday

Literacy Task: Instructions Text
How to capture a dragon

Watch the video for lesson 4 (cohesive devices) and complete the activities.
Open the worksheet in a new tab and play/pause the slides on it when you need to in order to answer the questions.

Video

Worksheet
<https://classroom.thenational.academy/lessons/set-of-instructions-spag-focus-cohesive-devices/activities/3>

End of Lesson Quiz!
<https://classroom.thenational.academy/lessons/set-of-instructions-spag-focus-cohesive-devices/activities/4>

Maths
Thursday

Try this activity from Corbett Maths:
Fractions, Decimals and Percentages
Watch the video and then answer the questions in your maths exercise book.
Then mark your answers!
When asked to shade diagrams, either leave this questions or accurately copy the shape into your book.

Decimals, Percentages and Fractions

	Fraction	Percentage	Decimal
	1 whole	100%	1
	$\frac{1}{2}$	50%	0.5
	$\frac{1}{3}$	33.3%	0.33
	$\frac{1}{4}$	25%	0.25
	$\frac{1}{5}$	20%	0.2
	$\frac{1}{6}$	16.7%	0.167
	$\frac{1}{8}$	12.5%	0.125
	$\frac{1}{10}$	10%	0.1
	$\frac{1}{12}$	8.3%	0.083

Answers
<https://corbettmathsprimary.com/2018/07/24/fractions-decimals-and-percentages-video/>

Fractions	Decimals	Diagram	Out of 100	Percentages
1/10	0.1		10/100	10%
2/10	0.2		20/100	20%
3/10	0.3		30/100	30%
4/10	0.4		40/100	40%
5/10	0.5		50/100	50%

Literacy Friday

Literacy Task: Instructions Text How to capture a dragon

Complete the introductory lesson quiz.
Watch the video for lesson 4 (cohesive devices) and complete the activities.
Open the worksheet in a new tab and play/pause the slides on it when you need to in order to answer the questions or complete an activity, such as writing your instructions to capture a dragon.

Introductory Lesson Quiz!

Maths Friday

Try this activity from Corbett Maths: Percentages of Amounts

Watch the video and then answer the questions in your maths exercise book.
Then mark your answers!

Find 30% of 70. 21

$$30\% = \frac{3}{10} \quad \text{So we can find 30\% by dividing by 10, then multiplying by 3. } 70 \div 10 = 7 \quad 7 \times 3 = 21$$

Find 40% of 90. 36

$$40\% = \frac{4}{10} \quad 90 \div 10 = 9 \quad 9 \times 4 = 36$$

Music

Singing: Melody & Pitch
Watch the videos about melody and pitch then complete the below activity:
Think about your favourite song with lyrics (words) in it.
Listen to it and write down how it makes you feel.
Why does it make you feel this way?
Write down three things about the music that make you feel that way.

Information/videos
<https://www.bbc.co.uk/bitesize/articles/z44x6v4>

Melody is the tune. Pitch is how high or low the sound is.

	<p>If it is a music video, how does the singer perform the song? <i>Describe their performance in a sentence or two.</i></p>	
Science	<p>Animals including humans: The circulatory system Watch the videos and read the information about the circulatory system in humans. Complete the mini quiz at the bottom of the page when you feel confident! If you get them all right, could you write 3-5 more questions to add to the quiz? Test an adult or sibling at home!</p>	<p>Information/videos https://www.bbc.co.uk/bitesize/articles/zdcgp4j</p> <p>Link to mini quiz https://www.bbc.co.uk/bitesize/articles/zdcgp4j</p> 
D&T	<p>Mechanical Systems If we were at school, we would be busy constructing our moon buggy! But what do you know about the mechanisms* needed to make objects move? Do some research using the webpage provided. Then complete Activity 2 – to design your own toy with moving parts, thinking about how you would enable it to move!</p> <p><i>*Mechanism: a system of parts working together in a machine; a piece of machinery.</i></p>	<p>Information https://www.bbc.co.uk/bitesize/articles/zkckmnn</p>
Computing	<p>How do you know if you can trust a website? Visit the <i>Bitesize</i> page in the link provided in order to read some guidance on this topic. Create a poster as a guide to help another computer user work out whether a website is trustworthy or not.</p>	<p>Information https://www.bbc.co.uk/bitesize/articles/zpxp7yc</p>

Here is our class email address year5@ivybridge.hounslow.sch.uk

If you have any problems or want to ask a question then Miss Holmes or Miss Anyanwu will get back to you. You can always email us your work or photos - we have missed you and would love to see what you are doing! Someone will be online Monday - Friday between 11 & 12 noon to answer questions straight away. Otherwise email any time and we get back to you as soon as we can.
