

Dear Parents / Carers,

Remote Learning Provision

Thank you for your continued support as we navigate our way through teaching remotely. I wanted to send out a message confirming the provision we are currently offering.

All children have a selection of 'live' teaching sessions with their class teachers as well as pre-recorded lessons. These are all accessed through google classroom. Teachers are working hard to set work for all children to complete.

It is very important that children complete all this work that has been set.

Children have missed a lot of education in the first lockdown and were beginning to catch up well - they **MUST** continue this work at home by completing the lessons. If your child is having difficulty completing their work, please contact their class teacher by email initially.

There is another note being sent out and posted on our website with Google Meet Rules for children.

Live Lesson Times:

Year 6 (Meteor & Saturn): 9am & 2pm

Year 5: 9.30am & 2.30pm

Year 4: 10am & 1pm

Year 3: 10am & 1pm

Year 2: 9.30am & 2.30pm

Year 1: 9am & 2pm

Reception: 1pm

Nursery: 1.30pm

From Monday 18th January all LIVE lessons will also be recorded, so if you miss a session you can catch up on it later. These recordings will be saved on Google Classroom.

Technical Issues

Our office staff have been working tirelessly trying to solve your technical issues. If you are still having issues they will try to help you.

How to use Google Classroom on a PS4 / Xbox - This video may help you use another device at home:

And Finally...

Thank you so much to the many parents who have sent in cheerful and encouraging messages. Everyone is having a difficult time at present and it is really thoughtful of you to send us a few kind words. Do please stay safe and find some time for a bit of fun this weekend

Mrs Hilton
Deputy Head Teacher
