KS1 Learning Intentions

I can develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space

I know about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to my own work

KS2 Learning Intentions

I can create sketch books to record my observations and use them to review and revisit ideas

I can improve my mastery of art and design techniques, including drawing, painting and sculpture with a range of materials

I know about great artists, architects and designers in history
