

The Ivybridge Rocketeers

On Wednesday 14th July, 6 members of Year 5 went to a Water Rocket Competition at NPL.

We worked hard to build rocket rockets and had lots of fun firing them into the air!

We had a challenge to land them between 65 and 70 metres away.

We were the only Primary School at the Competition and we came 2nd!!!!

Standing Proud on the podium - 2nd Place!

Watch that Rocket fly!

An Ice-Cream Treat as a reward!
